Owner represents that pet is in good health and has had all inoculations (requirements include: Rabies, Distemper, Bordetella and a negative fecal for dogs and Rabies & Distemper for cats and ferrets). Owner further acknowledges that it is solely the responsibility of the owner to provide proof of up-to-date vaccinations and if proof is not provided by closing of the arrival date owner understands A.R. Kennel disclaims any liability for pet except to provide reasonable care and service, and owner acknowledges that pet is boarded solely at owner's risk. If pet is not picked up by 7 days after checkout date, owner acknowledges that kennel shall have an express right to transport pet to any shelter or other person to satisfy liens for nonpayment of services.

Please note that baths may be given to dirty pets at our discretion and at the cost of the owner.

If your pet is prone to intestinal upset it is recommended to always bring his/her food. Switching food suddenly along with the stress of boarding can lead to diarrhea and/or other gastro-intestinal issues, which we will treat at the owner's expense.
